Rochester Institute of Technology, Rochester, NY – Transcript Key

Accreditation

Rochester Institute of Technology is chartered by the legislature of the State of New York and accredited by Middle States Association of Colleges and Secondary Schools. In addition to this comprehensive accreditation, curricula in some of the colleges are individually accredited by their respective associations.

Calendar

Historically, RIT has operated on both semester and quarter calendars. RIT operated on a semester calendar prior to 1954. In 1954 most of the University converted to a quarter calendar with the exception of the College of Continuing Education, which adopted the quarter calendar in the summer of 1971.

In the Fall of 2013, RIT converted the entire University to a semester calendar.
On August 12, 2013, RIT converted cumulative quarter term credit hours and quality points to semester equivalents by multiplying these cumulative totals by .6666667. If a transcript has the 2013 Conversion Term listed, both the last quarter statistics and the new semester equivalent statistics will be listed.

To convert previously earned semester credit hours to quarter hours, multiply semester hours by 1.3333337. To convert quarter hours to semester credit hours, multiply quarter hours by .6666667.

Academic Probation Policy for Matriculated Students

Undergraduate Full-time
Any student whose term and/or cumulative Grade Point Average falls below 2.00 (C average) will be placed on probation.

Graduate
Any student whose cumulative and/or program Grade Point Average falls below 3.00 after 9 credit hours (attempted or earned) will be placed on probation.

Thesis
When a graduate thesis is completed and accepted, the thesis title is posted at the beginning of the transcript.

Rank
RIT does not rank its students.

Confidentiality
This information is confidential. Release is covered by the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. This transcript cannot be released to a third party without the written consent of the student.

Repeat Course Policy (undergraduate only)
If an undergraduate student repeats an undergraduate course, the last grade will stand as final. If a course has been repeated, both the original course and the repeated course remain on the transcript. Only the final course attempted will be included in the GPA.
